Confederation Jubilee at Smithers Drew A Great Crowd from all Sections

All roads lead to Smithers on Friday last, even the railroad, and an immense crowd gathered there to participate in the celebration of Canada's Diamond Jubilee of Confederation.

The weather was glorious in spots, intensely hot at times and once or twice there was a shower which was a help. People came from all parts between the Hazeltons and Burns Lake, in fact there were few left at home in that area. Then the Smithers folk were out enmasse, all dressed up in their best bib and tucker. It was a great crowd and a happy one.

Friday, July 1st, the opening day, was started off with a procession that surpassed anything ever attempted in the northern interior. The school children, boy scouts, girl guides were a feature in the parade which started at the station and proceeded down the main street and then down to the agricultural grounds where it circled the race track several times while the big crowd was gathering. In the parade was a line of cars, all decorated, and floats, that was a real credit to the people who prepared them. The parade was headed by J. Mason Adams in cadet uniform and mounted on a horse followed by the bag pipes and drums, and then the boy scouts, the school children, and then floats with the Canadian provinces first, the Native Sons of Canada, Miss Canada and attendants and followed by a long line of floats and decorated cars.

The judges awarded the prizes to the Canadian Legion and the Rebecas. The Canadian Legion float represented a first aid station on the

battle field with several wounded soldiers and a red cross nurse standing in their midst. The Rebecas float represented Rebecca at the well with a jug on her shoulder.

At the fair grounds Dr. H.C. Wrinch M. L. A., gave the opening address in a few words and he was followed by the pagent in which the following took part:—Miss Vera Green as Faith, Miss Mabel McIntyre as Miss Canada, and her attendant, Miss Avis Wall; Miss Muriel Stevens represented Britannia and her attendants were Misses Jerry Warner, Mary Raabe and Margaret Windt.

Following the pagent was a short program and then a program of sports was run off including a ball game between Hazelton and Smithers. The crowd was kept busy all afternoon and were ready for a rest before taking in the dance at night. The dance was a splendid success in spite of the fact that room was at a premium.

The second day was devoted to an afternoon of sports with a second ball game between Smithers and Hazelton. The home team won both games, but the Hazelton boys played much better the second day.

In the evening a grand concert was given in the town hall and it was attended by everyone who could get in to the building. The people from the Hazeltons were well pleased with their trip and with the treatment accorded them. Much credit is due the police force for the way in which it handled the crowd and directed traffic. No serious accident was reported and everyone had a good time.

Terrace Had a Wonderful Time Dominion Day

Terrace staged the greatest celebration in its history last Friday to mark the Diamond Jubilee of Confederation. The people of the town and of the immediate district got together and did their work harmoniously and well. It was a great get-together time. The committee in charge and the several sub-committees deserve a great deal of credit and so do the citizens who did what was required of them.

Early in the morning the town was astir and especially the youngsters. The morning was devoted to the children and the program for the day was under way by half past nine. The crowd gathered at the bank square to witness the patriotic program which was under the supervision of Rev. W. Allen. It was opened with raising and saluting the flag by the school children followed by "O, Canada." Then the C. G. I. T. girls gave a flag drill that was really good. E. T. Kenney, president of the Native Sons of Canada, gave the Confederation and Jubilee address. He apparently spent considerable time in preparation. Then the Confederation Medals were presented and after singing "Land of Hope and Glory" the children lined up and marched along Lakelse Ave. to join the main parade.

The parade was one of the best features of Terrace's greatest day. Nearly every car in town was decorated and took part. Some of them were very pretty and the judges met with pretty general approval when their decisions were announced. The parade started from Emerson and Lakelse and proceeded down Lakelse to Kallum, thence along Kallum to the depot to await the arrival of the train from the east. From the station the procession moved off to the ball grounds where it disbanded for lunch.

The business part of the town was nicely decorated and some of the stores never looked so well. The Terrace Hardware (J. B. Agar) was awarded the prize for the best decorated store.

The parade prize winners were:—Float, Canadian Legion, "Brittania and Miss Canada," 2nd, Rebecas, "Confederation," Car, Mrs. Cassells, 1st, Mrs. E. T. Kenney, 2nd; Farmer Pioneers of Canada, (special) Mrs. Agar and Miss Vanderlip; Cowboys, Gladys Kenney and Helen Greig; pony cart, Gordon Little and Tom Olson; Tricycle, Edwin Wilson; Bluebell Jazz orchestra, I. O. O. F. float; drill, C. G. I. T.; drill, boy scouts.

After luncheon the people gathered at the ball grounds for the afternoon sports. The opening, was the planting of a maple tree which was done by Mr. Kirkpatrick, assisted by E. T. Kenney with the shovel and watering can. Then the program of races was run off with the following athletes as winners:—

Five years and under, Edgar Richard, Jack Grant; six to eight years, Frances Dover, Joe Hipp, Leslie Downing; eight to ten years, Joyce Cole, Joe Hipp; ten to twelve, Billy Atwood, Fred Nash, Tony Hipp; boys twelve to fourteen, Billy Atwood, Fred Nash, Tony Hipp; girls twelve to fourteen, Helen Greig, Edna Dover; boys 14 to 16, Donald Burnett, Hugh McCulloch, Billy Atwood; girls 14 to 16, Helen Greig, Barbara Sherwood, Edith Coney; boys over 16, J. Lever, S. Colthurst D. Atkinson; 3-legged race, B. Atwood and F. Green, Beta Taff and Edith Coney; Pipe Smoking race, Mrs. and Mr. A. H. Barker; boys sack race, Donald Burnett, T. Green; girls sack race, Helen Greig, Edith Coney; relay race, W. Unger, W. Watt, I. Frank; married ladies race, Mrs. A. H. Barker; Mrs. West; High jump, C. Lever; hop-step and jump, W. H. Sawmill Lost by Fire Dominion Day Vanarsdol

Another northern industry went up in smoke on Dominion Day while all were away celebrating except John Hagan and his wife who had remained at home to watch things. About a quarter to three in the afternoon the Vanarsdol lumber mill and stock of lumber and nearly all the buildings connected with the plant were destroyed. Mr. Hagan was in the house and heard a noise which he thought was the train arriving. He went out to see but found a fire had got well started at the barn which was only a short distance from the mill burner. In a remarkably short time the stiff wind and converted the blaze into a roaring fire. An alarm was sent to Terrace and across the river where people were picnicing. Fire fighters soon arrived but the plant was beyond saving and the loss was complete. Besides the mill, the buildings and personal effects of employees there 250,000 feet of lumber destroyed. Three horses belonging to the Hanson Timber and Lumber Co. were burned in the barn. A loss of around \$40,000 is the result and the insurance was only a little over a thousand dollars. After the fire had completed its job the wind continued and blew away even the ashes so that hardly a log or a stump is left to mark the place.

CARD OF THANKS

Mr. and Mrs. John Love and family wish to express their sincere thanks to all those who have been so kind to them during their recent bereavement, especially the doctors and nurses at the hospital, and those who sent floral tributes. 2-1t

The wedding of Miss Ann E. Beran eldest daughter of Mr. and Mrs. J. Beran, of Grand Forks, and Geo. W. Graham of Dorreen, second son of Mrs. M. Graham, Federal block, Prince Rupert, took place at the Presbyterian church manse Tuesday morning, July 5th. Rev. J. R. Frizell performed the ceremony. The happy couple left on the morning train for Dorreen where they will remain for the summer. The bride taught school at Dorreen for a couple of years and has many good friends in that section.

It is pretty fat business for the Dominion Telegraphs and Telephones when they can get by with more than a dozen phones on one party line, such as they have to serve (?) New Hazelton. Each one of those phones pays the full commercial rate.

Harold Wrinch went down to Rupert this week.

At Terrace Messrs. M. P. McCaffery and City Solicitor Jones of Prince Rupert spent the holidays. Part of the time they were trying out the fishing at Lakelse Lake and in some of the nearby creeks. They got some fish on Friday afternoon at Lakelse after Billy Fulton took pity on them and went out in his boat and showed them where to drop their lines. They had fished from early morning without a bite. But they enjoyed being around in their old clothes and riding about in a real old time fillyver. John Kirkpatrick of Rupert was also in town, but he wasn't fishing.

Albert Arnold and Jim Jones of New Hazelton were here for the holiday and went prospecting in the Kallum Lake district.

A Land Expert Says Growing Peas is Better

On Wednesday night the hall was well filled with farmers and town people. The occasion was a gathering of farmers and politicians and those who are engaged in solving the problems of the farmers of the province and horticulturist. It was an aftermath of the Farmers Institute convention of the afternoon.

The first speaker was Dr. H. C. Wrinch, M. L. A., member for Skeena. He went into the legislation passed at the last session of the legislature and particularly into those acts which had as their objects the assistance of the farmers. He referred to the progress made locally by the farmers who had gone in for dairying, wheat and timothy seed growing. He felt that the new legislation was going to be of further assistance.

Mr. Munro, of Victoria, a soil expert, followed with a talk on the soils of the northern interior, particularly of the Bulkley Valley. He advised the farmers to go easy on timothy for seed. It took too much out of the soil. The quality seed could be produced for only a limited time. He very strongly advocated that the local farmers go more in for peas for seed. He said the soil was more suited for producing seed peas than for any other specialized crop. Most important of all however, was the proper rotation of crops and a system of general mixed farming. The Bulkley Valley was first and always a mixed farming country.

Hon. A. M. Manson, attorney general who is spending some weeks in his constituency of Omineca, was the next speaker and with the aid of lantern slides told the history of the progress of British Columbia, especially stressing the progress that had been made during the last ten years under the administration of the Liberal government.

LATE ALEXANDER RANKIN

Passed Away Saturday Evening Following an Accident—Funeral Was Held on Monday

Alexander Rankin passed away at the Hazelton Hospital on Saturday evening after being laid up for a few weeks following an accident when his horse ran away and threw him partly out of the rig. At that time two of his ribs were broken and he was given a worse shaking up than was at first expected. The deceased was taken to the hospital only a couple of days before the end. He was about 78 years of age and leaves to mourn him a widow. Mr. and Mrs. Rankin came to Canada from Scotland about twenty years ago and first settled on the prairies. Some ten years ago they sold out and moved to B. C. and located in this district, first on a rented farm and later took up a pre-emption on the Salmon river, moving back here last spring to reside in the place formerly occupied by Ed. Sweet. The funeral was held on Monday afternoon from the United Church, Hazelton, where Rev. J. H. Young conducted the services. There was a large turnout of those who knew the late Mr. Rankin. The pall bearers were Robt. Tomlinson, W. W. Anderson, John Newick, Wm. Grant. Interment took place at the Hazelton cemetery.

Dr. H. C. Wrinch, M. L. A., motoried to Telkwa on Wednesday to meet Hon. Mr. Barrow, minister of agriculture, who was to be there to meet with the farmers institutes.

The Farmers of District B. Are Re-organized

The annual meeting of the Farmers' Institutes of District B. was held in Telkwa on Wednesday afternoon when delegates were present from all institutes in the Section. It was one of the most representative meetings ever held by the District. The officers elected for the ensuing year were as follows:—

President—J. W. Turner, Smithers Vice-pres.—A. McKay, Woodcock Secretary—J. G. Donaldson, Telkwa Committee—The Secretaries of all Institutes in District B. Delegate to the Agricultural Advisory Board—J. W. Turner with J. G. Donaldson as alternate.

Resolutions were passed dealing with a number of matters of interest to the members, the chief one being in regard to coyotes.

After the business was completed a number of speeches were given by Dr. H. C. Wrinch, the local M. L. A., A. M. Munson, (Hon.) who was visiting in his own constituency of Omineca, Dr. Bamford from District C., and Mr. Munro, a soil expert from Victoria.

MORE RICH ORE FOUND

Fairly authentic reports are to the effect that the rich ruby silver on the Henderson vein, Duthie mine, Hudson Bay mountain, has been encountered in the 500 foot level. If this shoot of ore is as extensive as the one on the surface was it will mean much to the owner of the mine. It will also mean much to the district.

A SURPRISE PARTY

The ladies of St. Peter's W. A., Hazelton had a surprise party at the Mission House recently in honor of Mrs. T. D. Proctor. About twenty were at the affair and the ladies took the occasion to present Mrs. Proctor with a rose bowl, silver candle sticks, an alarm clock and a pickle fork. A very pleasant social evening was spent.

HAD A JOINT PICNIC

On Saturday, June 25th the people of Kitwanga, Woodcock and Cedarvale united forces and held a picnic on the grounds around the new Cedarvale school house. There was a good time and a good crowd. A program of races was run off and there events for young and old. There was some rain but that did not hurt much. The day wound up with a big dance in the school at night. Rev. and Mrs. Proctor of Hazelton took in the day's sport.

WERE MARRIED IN VANCOUVER

Mrs. J. H. Hudditch who visited in New Hazelton last summer and one of the early settlers in Prince Rupert, was married last week in Vancouver to Mr. John Dore, superintendent of the government telegraphs, Prince Rupert. The groom is well known in the north and the many friends of the contracting parties will wish them long life and every happiness.

On Sunday last Messrs. McLaren and Couture brought their new boat from Kallum Lake to Lakelse Lake and a number of local people had a ride in it. The boat seems to be just about what is wanted on Lakelse to help make it a real resort.

AN AGGREGATE VALUE OF \$988,108,470

The substantial progress of the mining industry in this province is strikingly illustrated in the following figures, which show the value of production for successive 5-year periods:

For all years to 1895, inclusive	\$ 94,547,241
For five years, 1896-1900	57,607,967
For five years, 1901-1905	96,507,968

For 1926	67,188,842

PRODUCTION DURING LAST TEN YEARS, \$429,547,755

Lode mining has only been in progress about 25 years, and only about one-half of the Province has been prospected; 200,000 square miles of unexplored mineral bearing lands are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than any other Province in the Dominion or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees. Absolute titles are obtained by developing such properties, security of which is guaranteed by crown grants.

Practically all British Columbia mineral properties on which development work has been done are described in one of the Annual Reports of the Minister of Mines. These considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports covering each of the six Mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, B.C., are recommended as valuable sources of information.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to the value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin, "How Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled a the land has been surveyed.

LEASES

For grazing and industrial purpose areas not exceeding 640 acres may be leased by any one person or company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts, and the range administered under the Grazing Commissioner. Annual grazing permits are issued, based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and

During the afternoon there was one little shower but it scared no one away and the program was never interrupted. It was supper time when the ball game between the Native Sons and the all star team finished up. The Native Sons won. The game was good to look at and from the two teams the town could select a pretty good nine.

After supper the committee had provided for a special show at the theatre and a good many people went there to pass away the time until the fire work display was put on. The main attraction in the evening, however, was the dance in the G. W. V. A. hall. The place was crowded, many said it was the biggest crowd that was ever in the hall. The music was good and the floor was excellent. Everything was favorable for one grand time and the young people had—but then even the grand mothers were young that night. The dance kept up until quite early Saturday morning and it was a fine wind-up to a big day.

After the sports in the afternoon the prizes were awarded to the successful competitors. The prizes for the best essays on Confederation, open to both high school and public schools, were also presented. This competition was arranged by Capt. Colthurst who donated the prizes. The winners were, high school pupils—Dan Taper and Lillian Taper; public school, Elliott Head, Lillian Christie, Jessie Nash. Rev. Wm. Allen was judge in both contests.

Saturday was part work day and part holiday. The stores opened up in the morning. On Sunday afternoon the Diamond Jubilee celebration in Terrace was brought to a fitting close with a community service held in the park. The form of service as provided by the Central Committee at Ottawa was used. There was a large turn out. Rev. Mr. Robinson conducted the service with Rev. Mr. Allen giving the address. Mrs. Von Hess presided at the organ and the community singing was good.

QUICK NEWS

The Quick school picnic on June 24 was well attended as usual and in spite of the rain most of the program was run off. Pete Wilson and Geo. Brandon kept things on the jump. The worst feature was that the refreshments provided were too bountiful. A nice warm rain visited the picnic grounds to hasten the folk home, but at that everyone had a good time.

In the evening of June 24 a farewell party was given in the Round Lake community hall in honor of Miss Lane of Quick, Miss McKnight of Round Lake and Miss Dodson of Woodmere, on the eve of their departure for the summer holidays.

Everything is growing as a result of the numerous rains, including the old friends the weeds.

Carl Wakefield has some geese two months old that weigh 13 pounds.

On June 24 some wheat and oats were 18 inches high.

It was learned with general regret that Jos. Neve was unable to get the relief at Mayo Bros. that was hoped for and he is now with a sister in Winnipeg. Mrs. Neve is going to Barrett with the children.

Our Quick correspondent enters a protest against the growing habit of farmers organizations setting aside Sunday as the chief meeting day.

Usk

Skeena's Industrial Centre

Work has been started on the construction of the Marsh Memorial church and it is expected to have it completed in a short time.

A community picnic was held at Gold Creek on Confederation Day and it was a complete success. In the afternoon there was a good program of sports. There were about a hundred people present. The picnic broke up about nine o'clock when everyone went home, either by wagon or on foot.

A dance was held in Bethurem hall on Saturday night in honor of the Diamond Jubilee of Confederation.

Mrs. Ross Goodridge entertained the Usk ladies at an informal tea on Wednesday afternoon in honor of Rev. and Mrs. Allen of Terrace.

Telkwa Tales

Capt. J. P. Wheeler completed his work as field supervisor for the soldier settlement board and the immigration department on July 1st. He has been succeeded by H. E. Wallace, a farmer about half way between Telkwa and Smithers. The retirement of Capt. J. P. Wheeler by the government is not a popular move by any means. He has been a most efficient servant for six years and the government or the former member could give no reason for retiring him except that they did not want him any more.

Hon. A. M. Manson was accompanied by his family on his visit to Telkwa this week.

Mrs. J. Gould and children of Houston are guests of Mrs. P. Slavin this week.

Mrs. Harry Willis returned Sunday from Fort Fraser where she had been visiting her sister.

Mrs. Nunan and family visited at Endako during the holidays.

Most of the Telkwa people spent the holidays last week end at Smithers.

Terrace Notes

Miss Opal Cassell left Monday for Calgary where she will spend a holiday.

Prof. Barfoot of Saskatoon College and who is relieving Archdeacon Rix in his clerical duties at Prince Rupert was a guest of Rev. T. J. and Mrs. Marsh while he was in Terrace. His many friends here were glad to see him again.

Mrs. Annie Ross is chaperoning a party of girls on a holiday to Kaituma Lake. In the party are Edna and Jean Dover, Velma Greig, and Ruby Downing.

Word has been received of the death of J. T. Lazzelle which took place at the home of his daughter, Mrs. Morningstar, of California, on August 10th. The deceased was in his 90th year and was father of a former business man in town.

Mrs. P. M. Monckton who has been holidaying on the coast returned to town on Wednesday.

Friends of F. C. Bishop will regret to learn that he has developed pneumonia since he went to the Rupert hospital the first of the week.

Mr. and Mrs. A. H. Barker and family are spending their holidays at Lakelse Lake. Mr. Martinette of Prince Rupert is filling Mr. Barker's place.

The community service held Sunday
afternoon in Assembly hall, Hazelton,
was not largely attended. A great
many people were out of town. The
program as printed in last week's is-
sue was used. Dr. H. C. Winch gave
the Confederation talk.

The New England Airship Co., man-
ufacturers of the Flato boat, wrote
their agent, C. W. Dawson, recently,
that they had closed a contract to sup-
ply a large number of these boats to
the United States Navy. The Flato
boat is being rapidly adopted on ac-
count of its efficiency.

Word has been received from Mr.
Stoyloff of Dorreen that he underwent
successful operation at Rochester and
hopes to be home next week.

Mrs. D. Harris, Dr. and Mrs. Shew-
an and two children left Vancouver
on July 1st and are motoring through
to New Hazelton where they will put
in the summer. Dr. Shewan, however,
will remain only a few days. Many
old friends of Mrs. Harris will be glad
to see her again.

Rev. T. D. Proctor will conduct ser-
vices at Kitwanga next Sunday.

Canyon was in town on Monday and
left from here that evening for Edmon-
ton to meet her niece who is enroute
from Scotland for Bulkley Canyon.

Miss Etta L. Graham of Vancouver
arrived Monday night and is a guest
of Mrs. S. H. Senkpiel. Miss Graham
is a friend of Mrs. Jas. Powell, form-
erly of New Hazelton and who sends
greetings to her old friends.

Miss Avis Wall of Smithers spent a
few days this week with Jessie Smith.

Thelma, infant daughter of Mr. and
Mrs. John Love of Kisplox, passed
away at the Hazelton Hospital Mon-
day evening, July 4th, after a brief
illness, suffering from whooping cough
and pneumonia. The funeral was held
on Wednesday afternoon from the Un-
ited church where Rev. J. H. Young
conducted the services. Interment was
at the Hazelton cemetery.
